An Editor's advice on publishing for impact

Dr. May Copsey

Executive Editor, "*Chemical Science*"

Royal Society of Chemistry's flagship journal

- ◆ 日時：2020年1月20日 (月) 16:30~18:00
- ◆ 場所：1D204室

My presentation will include an overview of the publication landscape in the chemical sciences, as well as up-to-date developments from Royal Society of Chemistry journals. This will incorporate tips for less experienced researchers on navigating the peer-review process, suggestions for how to increase your impact through promotion of your research, as well as covering the role of pre-print servers and how open access is changing scientific publishing for authors.

本講演は、王立化学協会（英国）発行の学術雑誌Chemical Scienceの編集長 May Copsey博士による、インパクトが高い論文の執筆に関わるアドバイス満載の講演です。皆さん是非ご聴講下さい。
